

List and Dealer Net Prices Applying to Catalog No. 43 February 1944

COMPLYING WITH WAR PRODUCTION BOARD LIMITATION ORDER L-216

Prices in Effect March 1942

SUPERSEDING ALL PREVIOUS PRICE LISTS

All list prices subject to substantial discount.

IMPORTANT

Due to war conditions over which we have no control, many alloys used in the manufacture of steels are controlled by the Government and are not available for our use. We, therefore, reserve the right to change without notice, the design, material,

finish or any other specifications of any tool shown in our catalog and will fill orders with material made from available substitutes, without specific notification to our customers, and without regard to descriptions as shown in the catalog.

BONNEY FORGE & TOOL WORKS, ALLENTOWN, PA.

TOOL SETS				BB1	26	\$159.80	\$71.90	BB1	26	\$25.00	\$12.50
1—WPB Limitation Order L216, Schedule II, May 31, 1943 paragraph (f) states—				BB1 on				C	33	30.00	15.00
"Limitation on production and delivery of sets.				C	34	189.80	85.40	CC	33	35.00	17.50
(1) Except as provided in subparagraph (2) of this paragraph (f), no producer shall make for his own inventory and no distributor shall acquire for his own inventory or shelf stock any sets of wrenches. Any number of wrenches in excess of one which have been grouped for purposes of sale as a unit shall be deemed a "set" for the purposes of this paragraph.				C45CB	103	6.35	2.85	D	18	2.10	1.05
(2) Nothing contained in this paragraph shall prohibit				C45LR	103	7.25	3.25	D2	19	2.40	1.20
(i) A producer from producing sets to fill a specific order placed directly or indirectly by an ultimate consumer, or				C46CB	103	14.35	6.45	D3	19	2.60	1.30
(ii) A distributor from making up a set or sets of wrenches to fill a specific order placed by an ultimate consumer, or				C46LR	103	16.30	7.35	FB3	99	4.20	2.10
(iii) The production and placement of sets in either a producer's or a distributor's inventory or shelf stock of those 1/2-inch drive detachable socket wrenches permitted to be produced and maintained in inventory by appendix A and those open end ignition (or electrical) wrenches permitted to be produced and maintained in inventory by Appendix A."				C47CB	103	31.65	14.25	FB4	99	12.00	6.00
2—Because of the many items which we are forced to discontinue, it will be possible to supply sets only as long as present stocks of individual items exist.				C47LR	103	36.35	16.35	FB5	100	12.00	6.00
3—In the event that a set or sets are ordered and we are unable to complete the set as shown in our catalog, we will ship all items possible, cancelling the balance and give credit for the unshipped items.				CP	87	8.30	3.75	H	44	4.60	2.30
